

NATIONAL PUBLIC HEALTH WEEK 2025 THE FUTURE OF PUBLIC HEALTH STARTS HERE: STRENGTHENING THE PUBLIC HEALTH WORKFORCE FRIDAY, April 11 Events

- **10:00am - 12:00pm – JACKSON STATE HEALTH WALK**

MPHA's Health Administration Section will be partnering with the JSU College of Health Sciences during NPHW for a Health Walk at the Jackson Medical Mall. More details will be coming soon.

- **12:00pm - 1:00pm – HOW TO EARN YOUR CPH AT A DISCOUNT AND WITH SUPPORT**

MPHA is excited to partner with the National Board of Public Health Examiners (NBPHE) to provide this virtual webinar that will promote the Certified in Public Health (CPH) credential for our members. Members will receive a discounted rate on the exam fee. MPHA is committed to empowering our members with opportunities for professional development and lifelong learning. Public health professionals like you are the backbone of our communities and bolstering your skills through certification is a lasting investment in your career. You will gain skills and knowledge while preparing for the CPH exam which provides a unique professional development opportunity to broaden your skills.

The CPH credential is the only credential of its kind for public health professionals that demonstrates knowledge of key public health sciences and a commitment to the field through recertification continuing education earned by engaging in a variety of public health related activities focused on current and emerging public health issues. CPH professionals raise the bar and enhance the public health profession through their exemplary academic and leadership skills.
